Wes Eason – Director of Sales/COO

Wes Eason is part of the 3rd Generation and new #FamilyGrown face of Sunburst Trout Farms. He resides in Waynesville, NC, and has worked his way through every part of the farm since 2001. In 2011 he took over as Sales Manager and is now the Director of Sales and one of the owners. Wes is a graduate of The College of Charleston with a BA in Social Services. When he is not working with existing customers or procuring new ones, Wes is most happy spending time with Family and playing tennis.

Ben Eason – CFO

Ben Eason is also part of the 3rd Generation and new #FamilyGrown face of Sunburst Trout Farms. Starting in 2001 he has worked in every facet of the business. His keen sense with numbers helped him become the CFO and now one of the owners with his brother, Wes. When he is not crunching numbers you will find him outside with the fish making sure they are happy, healthy, and well fed. Ben resides in Waynesville, NC with his wife and the 4th generation of Sunburst, three very active little girls who love coming to help daddy with the fish.

Anna Eason – Marketing/HR Director

Anna Eason was fortunate enough to marry into Sunburst Trout Farms. She has a BS in Marketing and Information Systems from North Carolina State University. After a short foray in the construction industry she is excited to have found her niche in the food marketing industry. Anna is most often the one behind the lens or creating content for ads, blogs, magazines, and on all their social media sites and website. Her biggest accomplishment is being mom to 3 feisty girls, Taylor, Mollie, and Emory.
